

PREPARING FOR EASTER...

LIVING LENT

"The animals tell the story"

We invite you to stay after our light suppers for our mid-week services beginning at 7:00pm. Our theme for this year is "Living Lent—The Animals tell the Story". The animals (of all things!) serve as windows into Jesus' life, teaching and saving work in the world. Encounter the living Christ...even through such humble creatures as the fox, the donkey, the dove, the camel, the hen and the vulture. Bring your family for a meaningful mid-week break!
